5 THINGS YOU CAN DO TO SUPPORT LAND RIGHTS

- 1. Host a Gathering:** Send us an email and we'll send you a packet of information and links to videos you can use to educate your friends about the broad impacts that land rights have around the world.
- 2. Support Landesa:** Become a partner in our work by making a secure online donation to Landesa at getinvolved.landesa.org.
- 3. Champion our Cause:** Ask your employer to consider corporate sponsorship of Landesa. Or inquire if your organization matches employee donations.
- 4. Learn More:** Sign up for our monthly newsletter – Plotlines – to receive a digest of our blogs, success stories, and news about the issues related to land rights and global development.
- 5. Add Your Voice:** Comment on our Facebook page and forward Tweets from @Landesa_Global to inspire others and help spread the word about how land rights help reduce hunger and poverty. “Like” us on Facebook and follow us on Twitter to add your name to those supporting the land rights movement.
