

Corporate Sponsorship Opportunities

NOVEMBER 15, 2018, 6PM-8PM

Corporate sponsors help underwrite the cost of the event to inspire greater giving to support Landesa's global mission. By sponsoring *Roots to Rights*, your company will demonstrate its leadership in the community and commitment to improving the lives of poor women and men around the world.

Our program will feature remarks by Kim Starkey Jonker, President & CEO of King Philanthropies and co-author of *Engine of Impact*, as well as Landesa's CEO, Chris Jochnick.
