INDEPENDENT AUDITORS' REPORT

To the Board of Directors Landesa Seattle, Washington

We have audited the accompanying consolidated financial statements of Landesa, which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Landesa as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States.

Note 1. Organization and Summary of Significant Accounting Policies

Landesa is a Washington nonprofit corporation founded in 1981. Landesa is an international organization working to secure land rights for the world's poorest people. Landesa professionals have worked in over 40 developing countries in partnership with governments, non-governmental organizations, numerous foreign aid agencies, and other partners to design and implement laws, policies, and programs that provide opportunity, further economic growth, and promote social justice.

Landesa has offices in:

- Seattle, United States
- Beijing, China
- Bangalore, India
- Hyderabad, India
- Kolkata, India
- New Delhi, India
- Bhubaneswar, India

Landesa does not hold significant amounts of assets or liabilities denominated in non-United States currency at June 30, 2014 and 2013. During the years ended June 30, 2014 and 2013, \$2,659,646 and \$3,483,488, respectively, of expenses were incurred outside the United States.

Landesa receives significant revenues from multi-year grants. If the grant award is not contingent upon future actions, accounting principles generally accepted in the United States ("GAAP") require Landesa to recognize the entire grant (all years) in the year the grant was awarded. This accounting requirement may account for large annual increases or decreases in total revenue and support, and net assets. Landesa's operations generally reflect the multi-year nature of the grant (only expending a year's portion at a time) regardless of the particular revenue recognition principle.

During the year ended June 30, 2014, Landesa received significant contributions from the following organizations:

- Omidyar Network
- Stichting IKEA Foundation
- Ford Foundation

Landesa operates significant Indian program activities through an organization called the RDI India Trust. The RDI India Trust is a public charitable trust recognized by the government of India. Landesa is the majority financial supporter of the RDI India Trust. The mission of the RDI India Trust is to undertake the Indian program activities of Landesa. All activities of the RDI India Trust are included in these consolidated financial statements.

Landesa is the sole member of a limited liability corporation called Landesa Consulting LLC ("the LLC"). As an LLC, the liability of the members is generally limited to amounts invested. The LLC was incorporated for the purpose of continuing current operations in China and does not have a termination date. As of June 2014, Landesa registered in China as a wholly foreign owned enterprise under the name Landesa (Beijing) Agriculture Consulting Co. Ltd. For the year ended June 30, 2014, no activity occurred under the new wholly foreign owned enterprise.

Basis of Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions and include Landesa's foreign and domestic activities. Accordingly, the net assets of Landesa and changes therein are classified and reported as follows:

- Unrestricted Net Assets Net assets that are not subject to donor-imposed stipulations.
- Temporarily Restricted Net Assets Net assets subject to donor-imposed stipulations that will be met either by actions of Landesa or the passage of time.
- Permanently Restricted Net Assets Net assets subject to donor-imposed stipulations that must be maintained permanently by Landesa. Landesa had no permanently restricted net assets at June 30, 2014 or 2013.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Basis of Consolidation

These consolidated financial statements include the accounts of Landesa, RDI India Trust, Landesa Consulting LLC, and Landesa (Bejiing) Agriculture Consulting Co. Ltd. All intra-entity balances and transactions have been eliminated. All amounts in these consolidated financial statements are stated in United States dollars.

Cash and Cash Equivalents

Landesa considers highly liquid investments with original maturities of three months or less to be cash equivalents. Landesa maintains its cash and cash equivalents in bank deposit accounts and interest-bearing money market funds which, at times, may exceed federally insured limits.

Contract Receivables/Revenue

Support from cost-reimbursable contracts is recognized when eligible costs are incurred. Support from performance-based contracts is recognized when performance is completed. If support recognized exceeds cash advances received, then a receivable is recorded. However, if cash advances exceed support recognized, then a liability, unearned contract support, is recorded. Landesa has received grants for specific purposes that are open to review and audit by the grantor agencies.

Pledge and Grant Receivable/Revenue

Pledges and grants receivable consist primarily of unconditional promises to give. Unconditional promises to give are recognized as revenues and support in the period the promise is made. Landesa records an estimated allowance for uncollectible pledges and grants receivable based on its assessment of possible uncollectible amounts. Landesa charges off receivables against the allowance when management determines that a receivable is not collectible. No allowance has been recorded for the years ended June 30, 2014 or 2013, based on historical collection trends.

Pledges and grants receivable that are expected to be collected within one year are recorded at net realizable value. Pledges and grants receivable that are expected to be collected in future years are initially recorded at fair value, which is measured as the present value of expected future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in grants and contributions revenue in the consolidated statements of activities. Conditional promises to give are not included as support until the conditions are substantially met.

Property and Equipment

Property and equipment purchases greater than \$5,000 are capitalized and are recorded at cost or, in the case of donated fixed assets, at estimated fair value at the time of donation. Depreciation of fixed assets is provided for over the estimated useful lives of the assets for three to seven years on a straight-line basis. For leasehold improvements, depreciation is calculated using the shorter of the lease term or the useful life of the asset, also on the straight-line basis.

Deferred Rent

Landesa recognizes lease expense on a straight-line basis over the life of the lease, with the deferred rent reported as a liability on the consolidated statements of financial position for the difference between recognized expense and the contractual payments stipulated in the lease agreement.

In-Kind Contributions

In-kind contributions represent contributed website services and legal services. These services were valued at fair value and amounted to \$158,816 and \$131,598 during fiscal years 2014 and 2013, respectively. In-kind services are only recognized if the services require a specialized skill that would otherwise be purchased by Landesa.

Vulnerability from Certain Concentrations

For the year ended June 30, 2014, 27% of Landesa's revenue was from one donor. For the year ended June 30, 2013, 58% of Landesa's revenue was from three private foundations or donors. At June 30, 2014, 55% of total receivables were due from three private foundations and donors. At June 30, 2013, 64% of total receivables were due from four private foundations and donors.

Management of Landesa is aware of the related vulnerability, but does not anticipate any losses in connection with these concentrations.

Income Tax Status

Landesa is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Tax returns for the years ended June 30, 2011 through 2014, are open to examination by the Internal Revenue Service.

RDI India Trust is exempt from income taxes under Section 12AA(1)(b)(i) of the Indian Income Tax Act. Tax returns for the years ended March 31, 2011 through 2014, are open to examination by the Indian taxing authorities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain balances in the prior year consolidated financial statements have been reclassified to conform to the current year presentation. These reclassifications have no impact on the net assets and the changes in net assets as previously reported.

Subsequent Events

Landesa has evaluated subsequent events through the date these financial statements were available to be issued, which was the same date as the independent auditors' report.
